## SUBJECT OF THE MONTH GUIDELINES

The subjects of the month are listed above. Members submit images for projection and comments at our Monthly Meetings.

Here are the submission guidelines:

1. One image per member is accepted per month.
2. The image should be sized to fit in the 1024 wide by 768 high pixel rectangle our projector projects. If you cannot resize your image, submit it anyway and visit the Studio during a "The Doctor Is In" workshop to learn how to resize.
3. Your file should be named in the following format:

YourName-ImageTitle.jpg.

As an example, Bill Smith's image titled "Sun City Fun" would have the file name:

BillSmith-SunCityFun.jpg

Note: If you do not want your name to be shown during the review of your image, please note that in your email.

4. The deadline for submission is the Sunday night prior to the Monthly Meeting.
5. The image should be sent as an attachment to an email to:  
[som@sctxphotographyclub.org](mailto:som@sctxphotographyclub.org).
6. Members are encouraged to bring a print of their image to the Monthly Meeting. The print, of any desired size, must be matted and mounted to a backing board of 11 x 14 inches. Some of the images will be displayed in the Activities Center and the balance will be displayed in the studio. (Please see information below for more details.)

## Information for Submitting Prints to Subject of the Month

by Holly Moore

First of all, I would like to thank all the photographers that bring a printed image to the monthly meetings to participate in the Subject of the Month Competition. The prints are very much appreciated by the Exhibit Committee. If you haven't brought in a print yet, please consider doing so. We would love everyone to participate!

The photographer who does the commenting for the SOM slide show at our monthly meetings selects eight prints directly after the monthly meeting. Those prints are then put into frames owned by the photography club and displayed in the Activity Center Hallway next to the large game room. The remaining prints are taken to the studio and hung by Linda Chubb, the Exhibit Committee member responsible for the studio hangings. All SOM photos will eventually be taken to the studio one way or another.

Folks coming and going in the Activity Center enjoy these prints tremendously. Prints shown in the studio are enjoyed as well.

Please adhere to the following requests when submitting a photo for SOM:

1. Photo can be any size, but must be mounted on an 11X14 inch poster board  
– NOT A FOAM BOARD.
2. Photo must be matted and the photo must be attached to the mat as well as the poster board.
3. On the back write:  
your name,  
phone number,  
title of image  
price or NFS (not for sale)
4. The price you write down is the price of the photo only. Remember, we add \$15 to each picture to cover the cost of the frame and glass.

Thanks for making the SOM Prints a great part of our Photography Club.
