

Novice Photography SIG

Calendar

October 6th First meeting. Planning Session: VAC Studio

October 20th 2nd meeting: Boot Camp: VAC Studio 9-12 am

Will cover: Parts of a camera with emphasis on what is aperture, shutter speed, ISO, and how these inter-relate to each other and to depth of field.

DOF will be covered in greater depth at a later date.

October 27th 1st meeting: Novice Photographer SIG: VAC Studio 9-12.

Will cover: Questions from members, Discussion of objectives and plans for future SIG meetings. A brief presentation on “the second most important item for your camera.”
