

**SUN CITY PHOTOGRAPHY CLUB**  
**LOCAL RULES FOR SUBMITTING IMAGES TO GSCCC**

Many of the GSCCC rules are included on this web site under “GSCCC Competition Rules”. The following are local rules or procedures intended to assist our members in preparation of their individual submittals.

1. Size of prints may be any dimension up to 16' x 20". There is no minimum size. All prints must be adhered to stiff paper, mat board, backing board or form core boards. The use of over matting is optional but is discouraged.
2. Digital submittals should be submitted to the Club Rep via e-mail.
3. Prints and slides will be protected as best we can while in our care, but all entrants should expect damage or loss through the mail system. Sun City Photography Club and those responsible for collecting and mailing contest submittals cannot be held responsible for loss or damage beyond their control.
4. Submittals to the GSCCC monthly competition are handled on a competition basis. At each meeting of the Competitions Group members present their proposed entries into that month's category competitions. Entries to represent our club in that month's GSCCC competition are voted upon by members in attendance at that meeting and forwarded on to GSCCC by the Club Rep.
5. In order for the Club Rep to meet GSCCC imposed deadlines, submittals must be in the hands of the Club Rep not less than three days prior to the end of each month.
6. Please share your images with other members by furnishing them to the Web Master. You need not wait until scores are returned by the judging club. Take action as soon as you submit to the Club Rep.
